# OUR STORY SO FAR...

Across an arid wasteland strides the man known as Rain, The Immortal Methuselah. Those who would know the secret of his immortality have placed a price on his head. Machika, granddaughter of the assassin Gintō Reaper Zō, has sworn vengeance upon Rain, whom she blames for Zō's death. But the line between hunter and hunted begins to blur as the unlikely pair find themselves on the run and all alone in the world—together.

IF WE DON'T  
CAPTURE THE  
TRAIN, WE'D  
LOSE IT FOREVER!  
THE BRIDGE BRIDGE  
AND THE TRAIN  
WOULD FALL INTO

THEN WE'D
